

SPECIAL NEW YORK PHARMA FORUM PROGRAM
FOR REGULAR MEMBERS ONLY
Thursday, May 7, 1998

SPEAKER: **Toshiyoshi Tominaga, Ph.D.**
Deputy Director, Evaluation and Licensing Division
Pharmaceutical and Medical Safety Bureau
Ministry of Health and Welfare, Japan

TOPIC: **“Pharmaceutical Regulatory Reform Initiatives in Japan”**

Dr. Tominaga is a participant from the Japanese government in the international negotiations to harmonize pharmaceutical regulations, through the International Conference on Harmonization.

He will discuss the reform of the drug regulatory system which will take place in Japan. In particular, he will highlight the expected effects of the International Conference on Harmonization on regulatory reform in Japan.

This Regular Member-only event will provide participants an excellent opportunity to meet an influential Japanese regulatory official and participate in an informal discussion of the future regulatory environment in Japan. **Members who will be travelling on business are urged to ask another company representative to attend in their places.**
